

Ingestor

```
graph LR; Ingestor --> Processor; Processor --> Emitter;
```

The diagram illustrates a three-stage process flow. It begins with a rectangular box labeled 'Ingestor'. A horizontal arrow points from the right side of the 'Ingestor' box to the left side of a second rectangular box labeled 'Processor'. Another horizontal arrow points from the right side of the 'Processor' box to the left side of a third rectangular box labeled 'Emitter'. All boxes and arrows are black, and the text is in a monospaced font.

Processor

Emitter
